Health Protection

Guidance on infection control in schools and other childcare settings in Northern Ireland HSC Public Health Agency

Protect the spread of infections by ensuring, health information, high standards of personal hygiene and practice, particularly handwashing, and maintaining a clean environment. Please contact the Public Health Agency, Health Protection Duty Based on 0800 800 8119 or info@publichealth.ni.gov.uk or www.gov.uk/government/organisations/public-health-agency if you would like any further advice or information, including the latest guidance. Children with severe allergic reactions should be assessed by their doctor.
