## Health Protection

The poster is titled "Guidance on infection control in schools and other childcare settings in Northern Ireland" and is published by the HSC Public Health Agency. It features a header with the HSC logo and the text "Public Health Agency". Below the title, there is a brief introduction: "Prevent the spread of infections by ensuring, suitable ventilation, high standards of personal hygiene and practice particularly handwashing, and maintaining a clean environment. Please contact the Public Health Agency, Health Protection Duty Team on 0900 000 0119 or visit www.publichealth.hsc.ni or www.gov.uk/government/organisations/public-health-scotland if you would like any further advice or information, including the latest guidance. Children with severe allergic reactions should be assessed by their doctor." The main body of the poster is organized into several color-coded sections: "Respiratory infections" (purple), "Gastrointestinal infections" (orange), "Skin infections" (green), "Eye infections" (blue), "Ear infections" (yellow), "Infectious mononucleosis" (pink), "Scarlet fever" (light blue), "Diphtheria" (light purple), "Tuberculosis" (light green), "Hepatitis A" (light orange), "Hepatitis B" (light blue), "Hepatitis C" (light purple), "Hepatitis E" (light green), "Measles" (light blue), "Rubella" (light purple), "Mumps" (light green), "Scarlet fever" (light blue), "Diphtheria" (light purple), "Tuberculosis" (light green), "Hepatitis A" (light orange), "Hepatitis B" (light blue), "Hepatitis C" (light purple), "Hepatitis E" (light green), "Measles" (light blue), "Rubella" (light purple), "Mumps" (light green). Each section contains a table with columns for "Infection", "Transmission", and "Prevention". The "Prevention" column often includes a link to a "Checklist" or "Guidance" document. At the bottom right, there is a table titled "Checklist of infection control measures" with columns for "Infection", "Control measure", and "Checklist". The poster also includes contact information for the Health Protection Duty Team and the Public Health Agency, along with social media icons for Facebook, Twitter, and YouTube.

The *Guidance on infection control in schools and other childcare settings* poster contains information specific to Northern Ireland. COVID-19 is now included under respiratory infections.
