The Belfast Strategic Partnership, which is led by the Public Health Agency, Belfast Health and Social Care Trust and Belfast City Council, is launching the *Belfast Active Travel Action Plan 2014-2020* which aims to build a healthier city by encouraging people to incorporate walking and/or cycling into their daily travel.

The travel plan aims to try to make Belfast a more vibrant city where people are healthy, fit, well-connected with one another, and use physical activity as part of their everyday lives.
