Community development capacity building workshop

Are you a Community Development Practitioner

and/or work/volunteer in a role which promotes using community development approaches to tackle health inequalities?

If yes, can you help shape our Community Development Capacity Building for health work?

We have a series of conversations planned to seek to inform the next phase and help shape the onward development of this Community Development Capacity Building work. We invite you to take part.

Dates

- Thursday 31st August 10am – 12.30pm
- Monday 4th September 2pm – 4.30pm
- Tuesday 5th September 6.30pm – 9pm

To register to attend, please complete the registration form at

<https://forms.office.com/e/KL40EvVJX3>

If you are unable to attend any of the sessions but would still like to be involved, there is an option within the form to register for details of an online survey.
