[Nursing](#)

The graphic is a wallet card for delirium. On the left is a cartoon illustration of a man with glasses, a mustache, a white shirt, a dark tie, and dark trousers. To the left of the man, the text 'Frank, Jonathan and Sally Overhead' is written vertically. To the right of the man, the text 'Are they more confused than normal?' is written in orange. Below this text is a circular logo with 'Make it Delirium Smart' written around the perimeter. In the center of the card is a white box with a black border containing the text: 'Sudden changes in behaviour can indicate delirium. People who are more at risk: • People over 65 • People with a dementia diagnosis • People with infections • People with a broken hip'. At the bottom of the card are three logos: 'Nursing Direct', 'Dementia Together NI', and 'Health and Social Care'.

This wallet card describes the causes and symptoms of delirium.
