HSC Research and Development www.research.hscni.net

The poster features the HSC Health and Social Care and NHS logos at the top. It includes a collage of diverse people: a woman in a hijab, an older woman, a man in a white coat, a woman in a grey jacket, a man in a blue suit, a woman holding a baby, a man in a grey shirt, a woman in a blue headscarf, a woman in a blue shirt, a woman in a grey dress, a woman in a pink top, and a man in a dark shirt. The central text reads: "YOUR NHS NEEDS YOU. HELP US FIND A VACCINE FOR COVID-19." Below this, it says: "Join the NHS COVID-19 vaccine research registry. The new NHS vaccine research registry will help NHS-approved researchers to get in touch with volunteers." It lists two steps: "1. Sign up by adding your details to the registry." and "2. Researchers will contact you with suitable studies and you can decide to take part or not." At the bottom, it says "Sign up today: nhs.uk/researchcontact" and includes social media icons for Facebook and Twitter with the hashtag #bepartofresearch. The "BE PART OF RESEARCH" logo is also present.

The posters promote the NHS COVID-19 vaccine registry, which allows members of the public to register their interest and be contacted to participate in clinical studies.
