COVID-19 vaccine - a guide for people with a learning disability

What is COVID-19?
COVID-19 is a new illness spreading across the world.
It is a bit like flu but can be very serious for some people.

What is a vaccine?
A vaccine helps your body fight diseases.

Why do I need a vaccine?
It will help protect you from getting very sick from COVID-19.

This is a guide to the COVID-19 vaccine for people with a learning disability in Northern Ireland. It explains about COVID-19, the vaccine, what happens at your appointment and what to expect.
