[Health Protection](#)

Coronavirus vaccine for children and young people aged 12 to 17.

This information is for children and young people and their families and carers.

It is about coronavirus, also known as Covid-19 and the vaccine.

Coronavirus is an illness that can make you poorly.

Most children and young people won't have any symptoms or feel very poorly if they get coronavirus.

1

This easy read information booklet is for children and young people with a learning disability receiving the COVID-19 vaccine and their parents and carers.
