Monday, 22 May 2023 Midwifery

This poster was created to be displayed and made available in antenatal clinics and hospitals. It highlights the introduction of a new model of maternity care called Continuity of Midwifery Carer that was announced earlier in 2023 and is being phased in across Northern Ireland.

Two options are available to download below.

News of the announcement: <u>New model of care for pregnant women in Northern</u> <u>Ireland | HSC Public Health Agency (hscni.net)</u>
