[Health and Social Wellbeing Improvement](#)

This [quarterly report](#) summarises the regional needle and syringe exchange activity alongside anonymous, non-identifiable client data across Northern Ireland followed by a breakdown by each Health and Social Care Trust.

The data has been collated using a new online database, Neo360 Harm Reduction Information System, that became operational across all NSES sites on 1 December 2022.

## Details

Format

A4, PDF only

Target group

Needle and syringe exchange providers, drug treatment services, pharmacy staff, health professionals working in substance use
