Cervical screening: what you should know

This leaflet provides information about cervical screening and the Northern Ireland Cervical Screening Programme. It explains how screening is carried out, who is eligible for screening, what happens at a screening appointment, and how screening samples are processed. It also covers screening test results and the risks and benefits of taking part in the screening programme.

Translations into 10 languages and a large print accessible Word version of this leaflet are available below.

Please note this leaflet refers to Jo's Cervical Cancer Trust as a source of more information. This charity ceased to operate on 23 May 2024.
